

Term 2- October 2018- Revolution!

| English | | Mathematics | | Science | |
|---|--|---|---|---|---|
| <p>This half term our learning will be focused on; Fair's Fair by Leon Garfield and also the work of Victorian poets Edward Lear and Lewis Carroll. We will be reading limericks and nonsense poetry, and then we will be having a go at writing some of our own. We will also be writing biographies based on key Victorian figures.</p> | | <p>As mathematicians we will be:</p> <ul style="list-style-type: none"> • Dividing numbers up to 4 digits by a 2-digit number • Using common factors to simplify fractions; using common multiples to express fractions in the same denomination • Comparing and ordering fractions • Adding and subtracting fractions • Multiplying pairs of proper fractions • Dividing proper fractions by whole numbers | | <p>In science we will be learning about electricity. We will be constructing simple series circuits, to help us to answer questions about what happens when we try different components, for example, switches, bulbs, buzzers and motors. We will learn how to represent a simple circuit in a diagram using recognised symbols.</p> | |
| History and Geography | | | <p>Year 6 Toucans Mrs Charter and Mrs Clelland</p>  | RE | Art & Design |
| <p>We will be learning about the Victorians:</p> <ul style="list-style-type: none"> • Who were the Victorians? • Investigating and comparing the lives of rich and poor children during Victorian times • Queen Victoria and her family • Crime and punishment • Life in the Victorian slums • The Industrial Revolution • Victorian inventions • Cities and transport in Victorian England, using maps | | | | <p>Last term we started to learn about Islamic faith and places of worship. This term we will explore the importance of religious symbols and art.</p> | <p>We will be studying the work of William Morris and making printing blocks.</p> |
| SMSC | PE | French | | DT | Other |
| <p>We will be reflecting on achievements.
