Our sport offer out of school time and attendance at sports club free to all.	<ul style="list-style-type: none"> • Multi-sports once per week for Year 3-6 • Football Club for KS2 once per week • Lunch time multi-sports for KS1, once per week 	£5,040	<ul style="list-style-type: none"> • Extra sports provision available for young children (Reception onwards) • Increase the range of sports and opportunities for all pupils
Spend for 2017-18: £19,350	<p>These activities will be sustained by a combination of school budget and outside funding raised by the school.</p> <p>Predicted spend for 2019-20 = £22,050</p>		

At Abbey Woods we are committed to providing high quality sporting provision for all our pupils. The Sports Premium Allocation has given us the opportunity to give our children additional opportunities that they may not have had otherwise. We believe that it is our responsibility to provide as many of these opportunities free of charge, thus enabling all pupils to access the activities. The cost of most of our provision is covered by the Sports Allocation and we have managed to secure a small fund for additional activities.

We have nearly doubled our attendance for these activities and are looking at ways to increase the number of groups to accommodate the few pupils who are awaiting places. We continue to take part

PE & Sport Premium Strategy and Review 2019-20

in competition outside of school. We have formed links with the Abingdon School's Partnership and have many more opportunities for the coming year.

Our school continues the commitment to the 'Daily Mile', which takes place daily in every class for 15minutes in curriculum time. We have noted that stamina and enjoyment as well as concentration is improving. We have also seen a reduction in obesity as the school has moved from the bottom of the table in 2016 to 'average' in 2018.

Future developments

- Swimming lessons have been extended to include Year 1 for 2019-20.
- We aim to vary the Multi-sports to ensure that we attract as many girls as boys.
- To further enhance dance and netball activities.
- Increase the number of sports where we can enter competitions.
- Improve behaviour of the few challenging pupils by creating positive relationships with their coaches/teachers.
