OCTOPUS ENERGY'S TREE DONATION

Octopus Energy want to help combat air pollution by planting tens of thousands of trees across the UK. We have received a donation of some trees to expand our Forest School area and there are enough to allow each class to plant their own class tree to look after.

They are also running a scheme via this link www.octopus.energy/peoplepower where you can switch your energy provider and they will give £50 to Abbey Woods and £50 to everyone who joins.

Please check that switching provider is a good deal for you before going ahead.
