

Geography

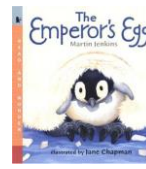

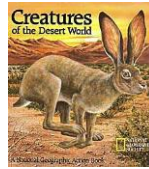

Create a scene from a hot or cold place using junk modelling.

Literacy

Read **books** set in hot or cold places.

Write about your favourite book.

Science

Can you find objects in your house made of different materials?

Homework

Year 1 – Term 2

Choose **3 options** to complete this term. Remember to bring in your homework so that we can celebrate it together!

Maths

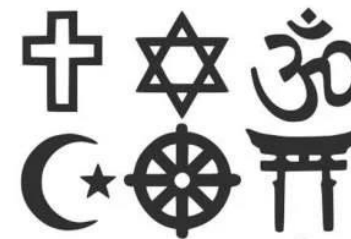

Go on a shape hunt. What **2D and 3D shapes** can you see?

RE

How do you celebrate festivals (e.g. Christmas, Sukkot, harvest) with your family?

Draw a picture to show what happens.

PSHE

How are you similar or different to members of your family?

You could draw a picture and label the similarities and differences.
