

### Literacy

We will be reading *The Great Explorer* by Chris Judge and *Poles Apart* by Jeanne Willis. We will be writing letters, stories and fact files as our focus pieces of writing. We will learn how to add suffixes such as ing, ed, er and est and how to pluralise nouns (e.g. dogs, wishes).

### P.E

P.E will be on a **Thursday** morning and a **Friday** afternoon. Please make sure your PE kit is left at school all week. The children will take part in a variety of different games, gymnastics and learn ball skills.

### PSHE

We will be learning about how we are similar and different from each other. We will also learn about what bullying is and what we can do about it.

## Parent topic web

### Year 1 - Term 2

### Maths

We will be learning how to add and subtract numbers. We will also build on our learning from last term by learning about place values and numbers to 20.

We will also be learning about the names and properties of 2D and 3D shapes.

### Geography

We will be learning about hot and cold places as well as seasonal and daily weather patterns.

### Music

We will be singing songs in music assembly as well as learning about beat, tempo and pitch of music.

### D&T

We will be building on our work in science around everyday materials. We will plan, design, create and evaluate making an igloo in order to meet certain design criteria.

### Science

We will be learning about everyday materials and the physical properties of those materials. We will also be completing an investigation into the best material to use for objects.

### R.E

We will be learning about how we celebrate and say thank you. We will also learn about harvest festival, Sukkot and Christmas, including stories and traditions surrounding these celebrations.
