

### English

This term we will be developing our non-fiction writing skills. We will be non-chronological reports on volcanoes. We will also be preparing poems and play scripts to read aloud and to perform, showing understanding through intonation, tone, volume and action. We will be recognising some different forms of poetry

We will be improving our grammar and making sure we are consistently using apostrophes.

### Science

This term we will be learning all about rocks and fossils. We will be classifying rocks and looking at how they are formed.

Through this process we will be exploring fossilisation and learn how this takes place.

### Computing

We will be learning the basics of coding. We will be using the programme Logo and Scratch Jr. We will be learning to

### Art & DT

This term we will explore use of pastels to draw. We will then focus our DT skills on designing and making a seismometer and functioning volcano.

### Tremors

#### Year 3 – Miss Walker

### WOW factor

This term we will make our own functioning volcanoes and see them erupt.

### PSHCE

In PSHCE we will be focussing on going for goals. We will be thinking about what we can do to improve and help others reach their goals

### RE

We will be exploring Christmas for Christians and the meaning behind it. We will also look at how the traditions we have link to the story.

### History

We will be exploring the impact an eruption had on the Roman city of Pompeii

### Maths

This term we will be consolidating our knowledge of subtraction before moving on to multiplication.

We will be learning to multiply using resources and mentally. We will be beginning to learn our times tables, which will be sent home to practice.

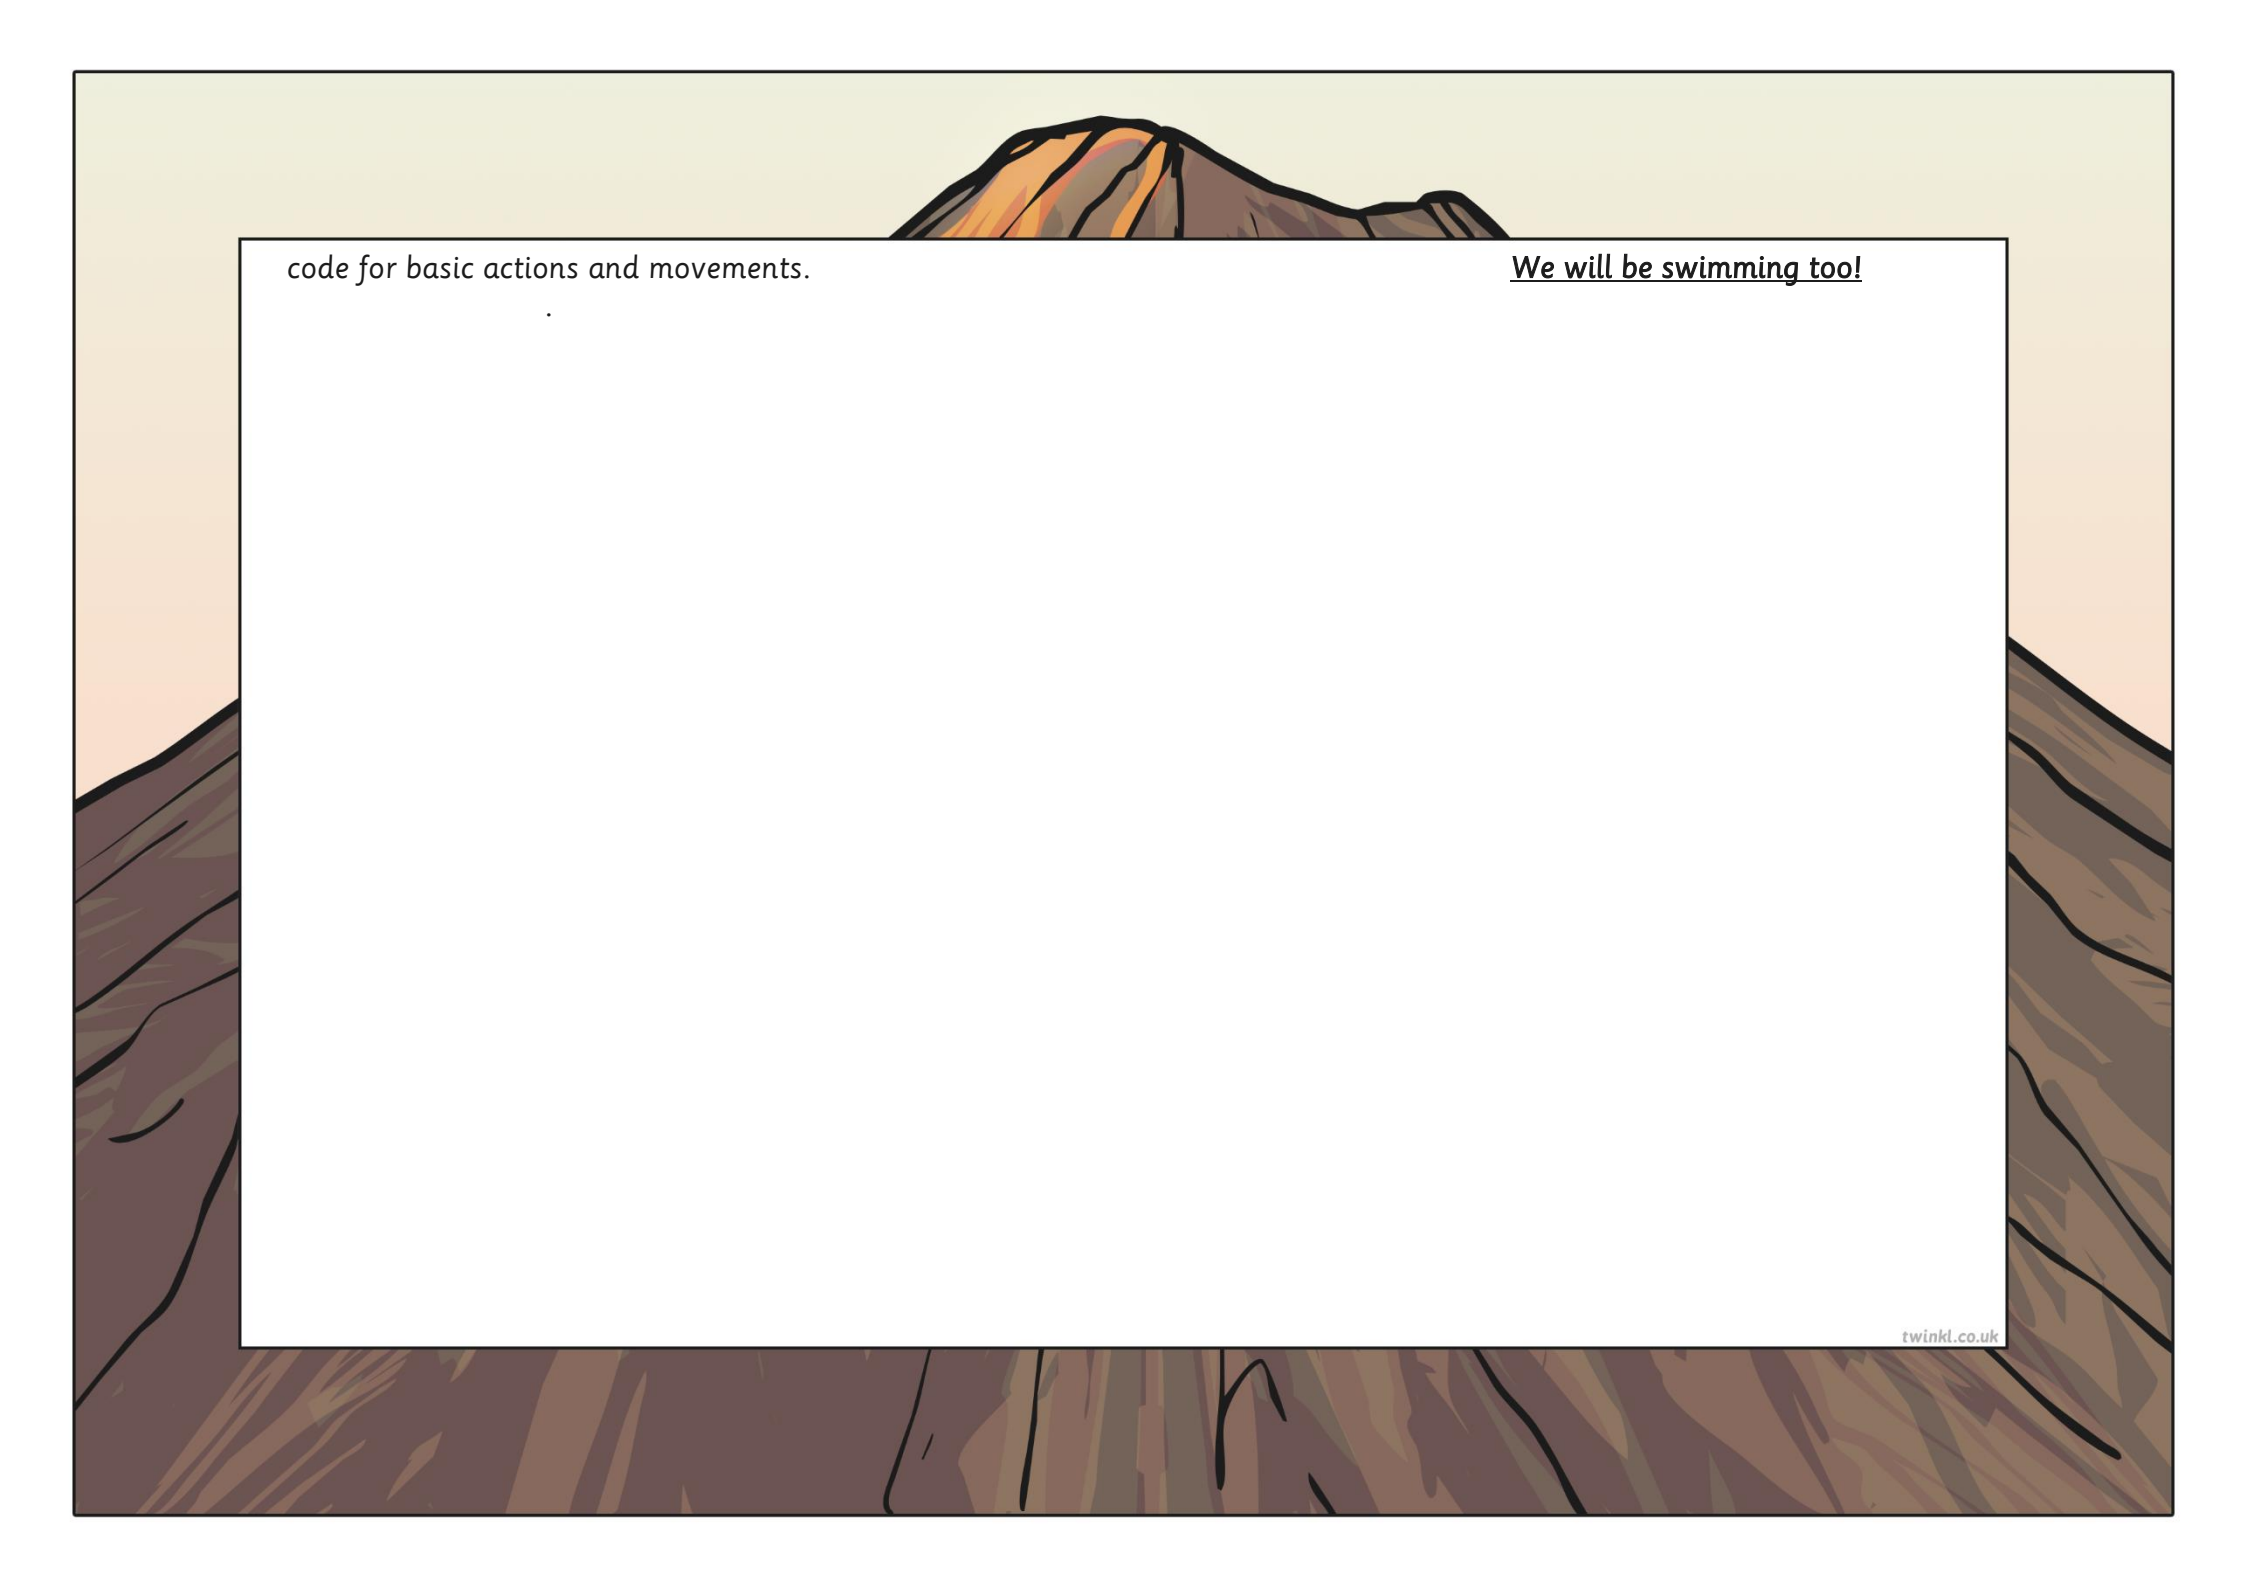

We will be beginning to learn our 4 and 8 times tables whilst continuing to practice our 2, 3, 5, and 10s, which will be sent home to practice.

### Geography

We will be learning about the Earth and the different plates and what happens when they rub together or are too thin. **Volcanoes, Tsunamis and rock formation.**

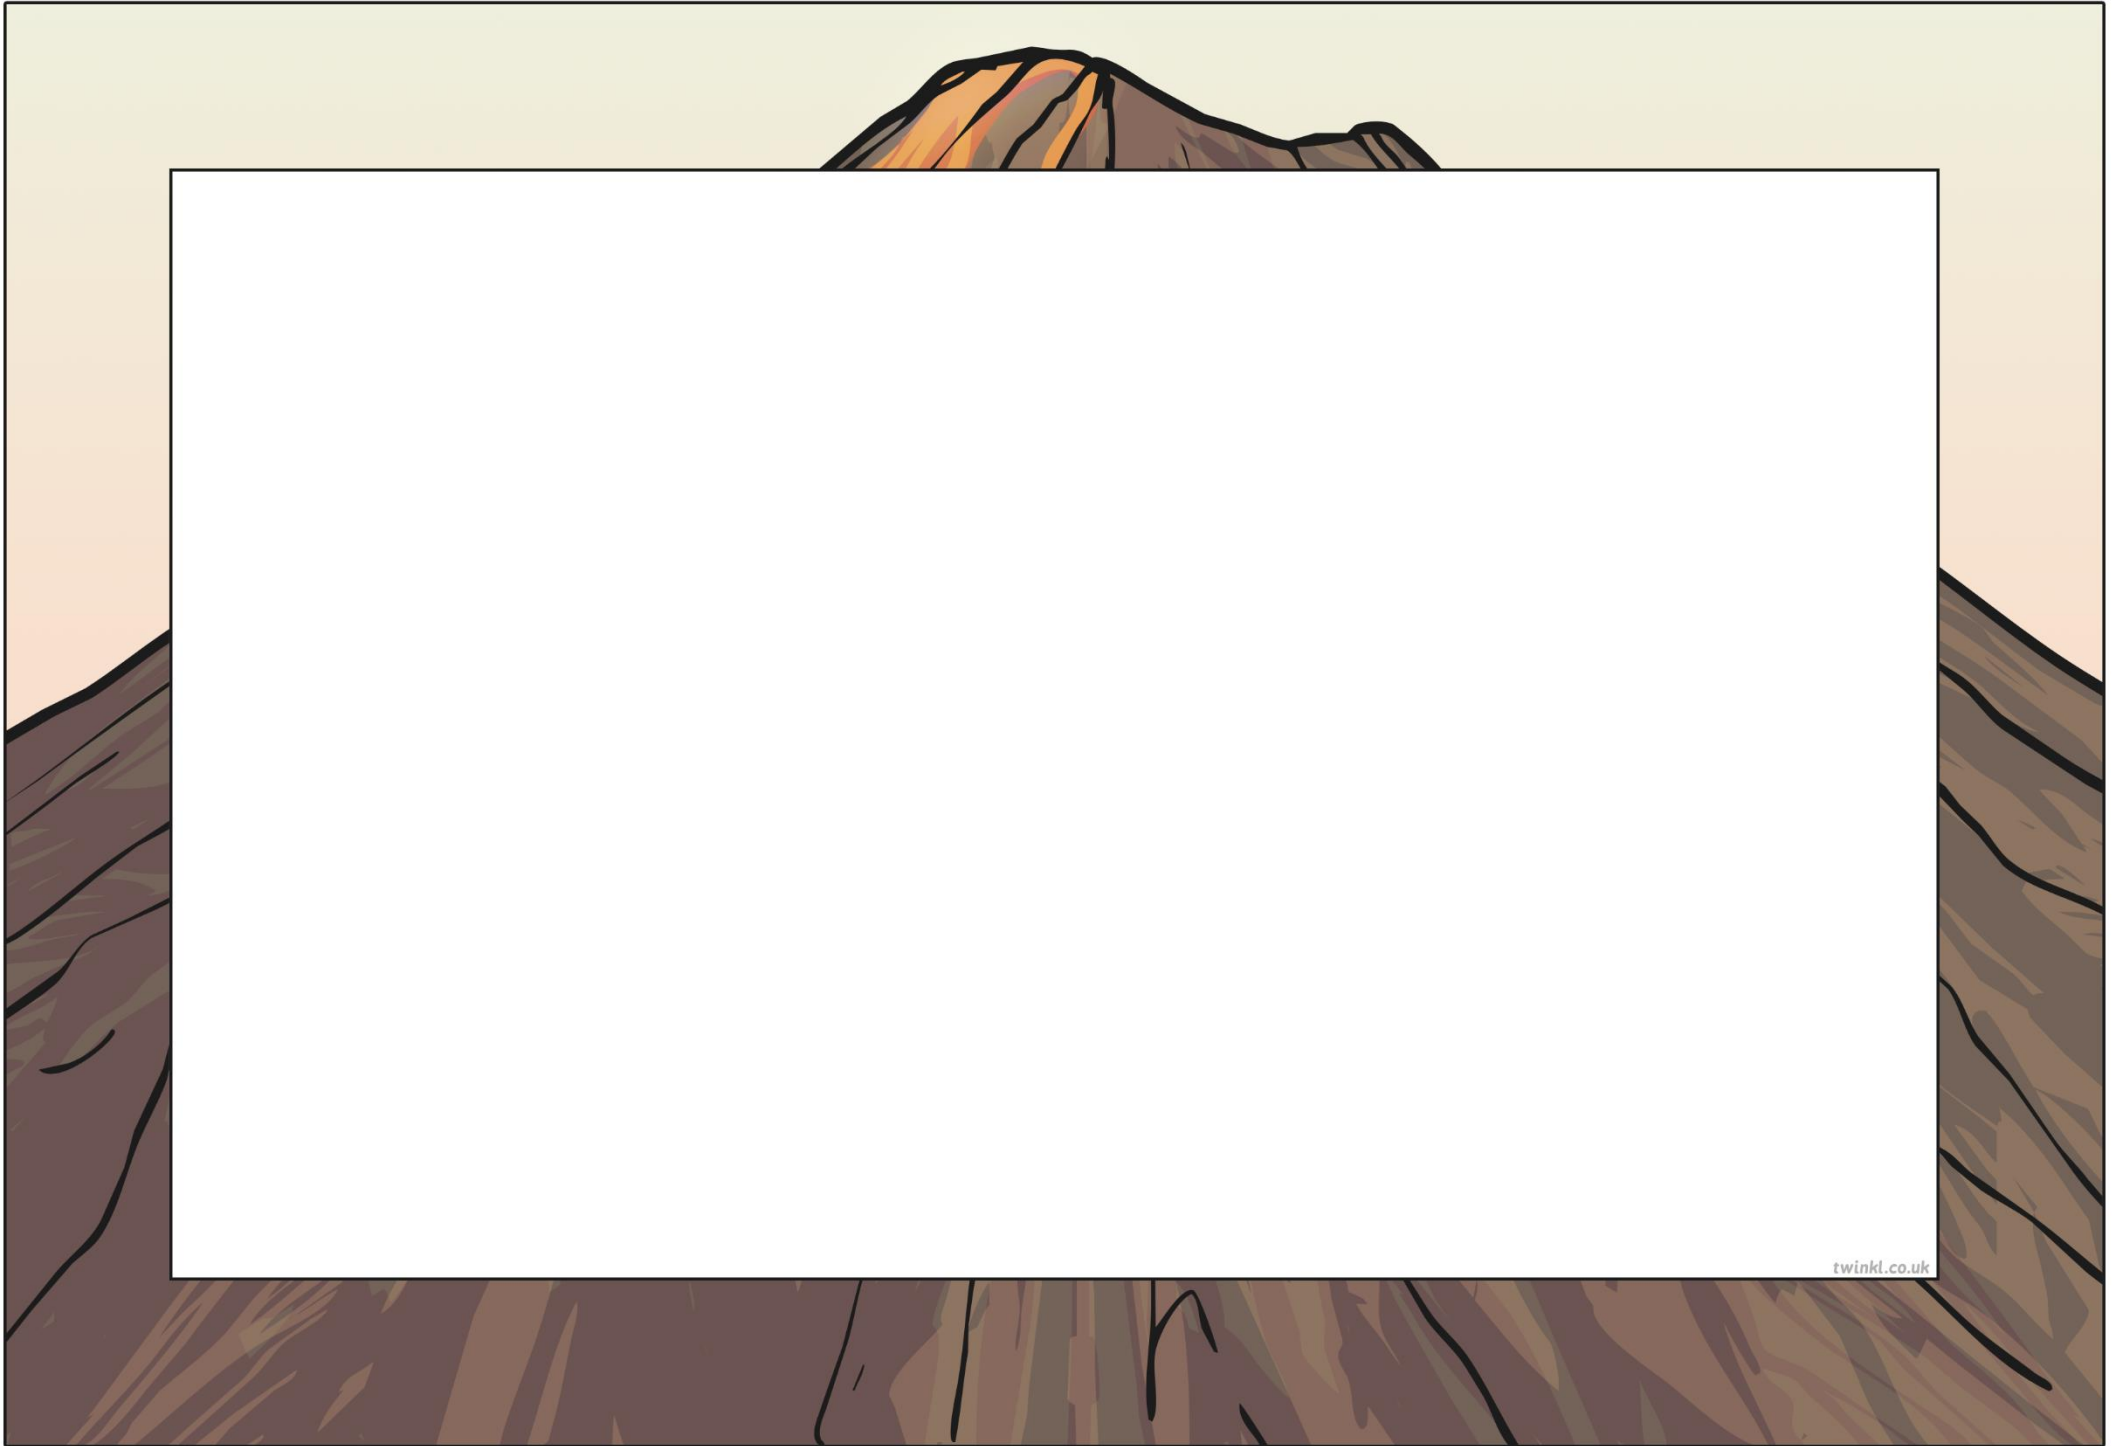

### PE

In PE we will be playing team games and developing our competitive spirit. We will also be developing cross-curricular links through PE and improving our literacy.

code for basic actions and movements.

We will be swimming too!
