

English

This term we will be looking at the book 'Wanted' which is set in Ancient Rome.

We will be writing diaries from the perspective of characters in the book and a non-chronological report. We will then look at the Tinderbox, using the book to inspire drama.

Geography

This term we will be finding out all about Italy. We will be learning about the physical geography of Italy as an island, and also learning about different settlements and why tourists visit.

Science

We will be looking at the three states of matter, and categorising different materials. We will use our cooking skills to investigate reversible and irreversible reactions.

Computing

This term in Computing we will be learning about algorithms and how they are programmed. We will also be learning about internet services.

RE

We will be focusing on Christianity this term, questioning whether the Christmas narrative need Mary and what Christmas means to us.

Italy

Year 4 – Miss Taylor

Design and Technology

In design and technology this term we will be designing and cooking pizzas. We will be discussing nutrition and health, and discussing how products are made for our supermarket shelves.

Maths

This term we will be focusing on multiplication and division, continuing to practise recalling and using multiplication tables and related division facts. We will be solving problems that involve multiplication of two and three digit numbers by one digit numbers.

We will then be looking at the area and perimeter of shapes.

We will start work on fractions, familiarising ourselves of common equivalent fractions. We will be adding and subtracting fractions with the same denominator.

PSHE

This term we will be celebrating difference and considering what makes us each unique and special.

PE

We will now have PE on Tuesday and Friday
