Sesame Free

It is vitally important, due to allergies of some of our pupils that the following food is not included in pupil's packed lunches.

Please do not make sandwiches using seeded bread, rolls with sesame seed topping, bread sticks with sesame, hummus or any products containing tahini or snack bars containing sesame. If you are unsure then all products show clearly on ingredients any allergen contents.

Children suffering from such allergies can be affected and then become seriously ill very quickly after accidentally eating, touching or coming into contact with surfaces which have been contaminated with sesame. Please help us to ensure that all our pupils are safe during the school day.
